Our primary mission is to improve the quality of compassionate care for people who are dying through public education and global professional collaboration. Our search engine gives you access to the Internet's most comprehensive collection of reviewed resources for end-of-life care.
<a href="http://www.hospicecare.com">www.hospicecare.com</a>	International Association for Hospice & Palliative Care

<http://eolcaregiver.com/living-lessons.aspx>

*Living Lessons*<sup>®</sup> is a national initiative to increase awareness of hospice palliative care and end-of-life care services in Canada. The campaign is presented in partnership with the Canadian Hospice Palliative Care Association (CHPCA) and The GlaxoSmithKline Foundation. By encouraging and enabling open dialogue, information exchange and service provision we hope to enhance quality of life for individuals facing the last stages of life.

[www.palliative.info](http://www.palliative.info)

*Palliative info* strives to provide an organized collection of links to palliative care resources on the internet that are active and maintained, including some which were developed locally in Manitoba, Canada. (Dr. Mike Harlos' site)

[www.capo.ca/start-the-talk/](http://www.capo.ca/start-the-talk/)

A resource by the Canadian Association of Psychosocial Oncology for health care professionals and educators to support children and teens when a family member has cancer.
