BENEFITS OF BECOMING A PALLIATIVE MANITOBA AND CHPCA MEMBER

Joint associate or affiliate status & provincial membership significantly enhances the overall legitimacy of the hospice palliative care movement in Canada.

CREDIBILITY IN NUMBERS:

The larger the associate or affiliate status & provincial membership base the more effective Associations are in many aspects of their mandates, i.e. awareness raising, fundraising, program development and national standards.

PORTABILITY:

Joint associate or affiliate status & provincial membership helps ensure that knowledge, programs, services and expertise are portable across the country.

EFFECTIVENESS:

Joint associate or affiliate status & provincial membership allows for the pooling of resources to further the overall mandate and support the development and implementation of programs/services across the country. Pooling of resources also minimizes duplication.

ACCESS:

Joint associate or affiliate status & provincial membership provides access to information, expertise and colleagues all across the country.
