The Goal: Build capacity to support the wellness of Kids & Teens (and their families) province wide.

The Plan: Provide training, resources & ongoing support to facilitate the running local groups in your own communities.

The Mission: Create & sustain a network of engaged professionals across Manitoba to meet the needs of youth & families experiencing grief due to the death of a loved one.

Meet your instructor: Wayne Sandler
Wayne brings passion and sincerity to his trainings. You'll learn how to help grieving kids in a nurturing and supportive environment.

The course will be held in person following current health guidelines and recommendations.
